

Serial No.: 10/668,161
Inventors: Eiichi SAKAUE, et al.

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended and in light of the following discussion, is respectfully requested.

Claims 1-21 are presently pending in this application. The foregoing amendment amends the specification and Claims 14 and 18. Support for the amendments to the specification and Claims 14 and 18 can be found at page 8, line 24 – page 9, line 2; page 13, lines 6-14; and Figures 5 and 9, for example. No new matter is added.

In light of the amendments presented above, Applicants respectfully request an early and favorable action.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
